3. The board members gave the following feedback based on the demo of test site:
  - a. We just need to add a section where parents or players can enter reviews or testimony (similar to Contact us form) but it needs to display on the site. So when a review is written it needs to be approved by us before posting on the site.
  - b. We need to be able to upload videos in the gallery - juniors or players session clips , training videos etc
  - c. The Login button - it takes us to my cricket admin. Need to discuss about this - also will there be an admin access to website content
  - d. Register Now is taking to a search page / it needs to take to the sign up page only for juniors. For seniors - it will take to the form where we need to display our Club Account details so that they can transfer to our account as we don't want to have payment gateway.
